

## How do I change my individual registration to join a team?

\* \* You cannot switch to another team if you are a team captain. Please contact Parkinson Society BC if you are a team captain and want to change to another team.

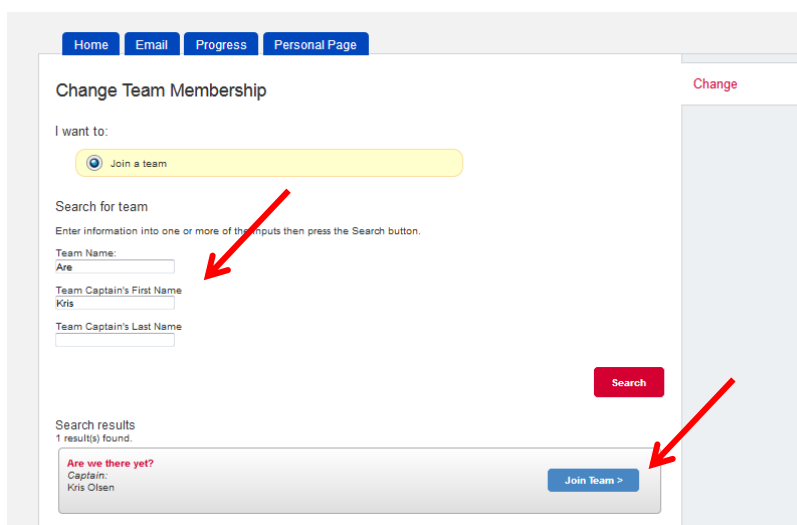

### 1. Login to your Participant Centre

### 2. Once logged in, click Change Team Membership located on the right-hand side.

### 3. Type in the team name in the appropriate field. If you don't know the team name, type in the team captain's first or last name. Click **search**. Click **Join Team** beside the team you wish to join.

### 4. When you are done, click **Log Out** at the top right of the page. For security, it is **very important to log out when you exit your Participant Page.**
