

I am registered as a Team Member. How do I change to be an Individual Walker without a team?

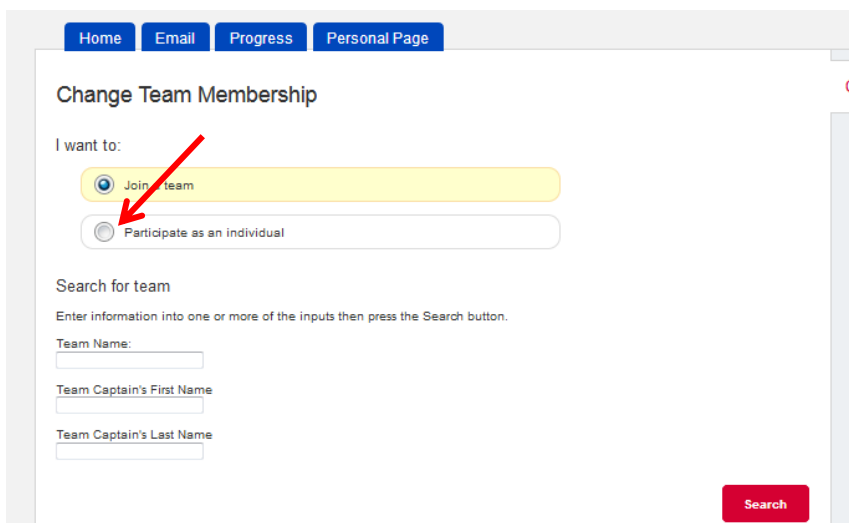

1. Login to your Participant Centre

2. Once logged in, click Change Team Membership located on the right-hand side.

3. Click Participate as an Individual. Click **Continue**.

4. When you are done, click **Log Out** at the top right of the page. For security, it is **very important to log out when you exit your Participant Page.**
